**Subject:** HF/Pav Activities, Outputs, and Schedules

There are a lot of HF and Pavillion related activities and outputs on the horizon. That is, activities that are anticipated to take place and outputs that are due in the next 4 months. We need to have a meeting so that we can lay out all of these activities and outputs, and their timelines. This will help us plan for the immediate future, identify priorities, and allow us to inform NRMRL and ORD Sr Mgmt of time demands. Please let me know if I have inadvertently left someone off of this meeting invitation.
